Meals:

We produce 70% of our kitchen food production requirements internally. In view of that, the Resort has both plant and animal farms producing a wide variety of fruits and vegetables, pasture raised eggs and meat for our Guests. We pride ourselves as a group that doesn't use Monosodium Glutamate (MSG) products in the preparation of any meals we serve. Guests can choose from a wide variety of outdoor dining locations ranging from our carefully manicured lawns, restaurant, river front and gardens.

Breakfast, Lunch and Dinner at Guest's preferred dining location.
Freshly squeezed juices served every morning.

Recreational Activities:

All activities can be personalized for individuals or teams during your stay.

Morning Activities – Regular or aqua aerobic sessions with dedicated fitness coaches, on or o-site cycling and canoeing.

Afternoon Activities – Archery, table tennis, board games, card games, swimming, soccer etc.

Evening Activities – Beach volleyball, jenga, badminton, etc.

Night Activities – Dinner by bonfire with music, bonfire, night angling, etc.
